ABOUT Mateko

We can turn your vision into a reality

Who we are?

We operate in the Gauteng, including the other parts of South Africa. We are building and civil contractors specializing in commercial, retail, industrial, government and large residential construction. We have the resources and expertise to successfully complete projects of any value and complexity.

Specialising in the construction & development sector, Mateko carries its projects in Gauteng, with an amazing construction and development approach

Mateko Constructions main focus is client satisfaction. Our company - along with other leaders in the construction industry - assist in constructing any construction project according to your requirements.

We offer a wide range of construction services to span the entire lifespan of nearly any building project.

We listen, we care, we deliver, always on time and always at the highest professional level.

Mateko Construction is committed to making it simple for residential and commercial property owners to drive up to their building and enjoy what they see. We can make this a reality for you too, if you're on the lookout for a licensed, experienced and qualified construction company in gauteng you have reached your destination

Building, Demolishing, Renovations, electrical, plumbing, architecture and design

Strategy

Our strategic objective is to deliver projects that fulfil the customer's specifications. These specifications include the project being delivered on time, within budget and complete legitimacy. In order to fulfil our strategic objective, we apply a unique combination of design, construction and project management.

Our People

We are a company that prides itself on its 'family' culture and we seek out high-caliber people.

We are a company that has, at its core, a team philosophy that is clearly apparent each and every day – there is a real sense of being there for one another.

We believe in nurturing the skills of our team members and providing growing levels of responsibility.

Of all the things that we do and all the exciting projects that Mateko constructions undertakes on a daily basis, it's our people who are the foundation of our success. Our people bring unique skills, energy, expertise, experience and perspectives to our workforce.
